STATEMENT OF OBJECTS AND REASONS.

This Bill is introduced in pursuance of article 206 of the Constitution of India, read with article 204 thereof, to provide for the appropriation out of the Consolidated Fund of the State of Bombay of the moneys required to meet the expenditure charged on the Consolidated Fund of the State of Bombay and the grants made in advance by the Legislative Assembly in respect of the estimated expenditure for a part of the financial year 1952-53.

2. The advance asked for is generally one-third of the expenditure that is estimated to be incurred under each major head during 1952-53. There are certain cases, however, where the amount asked for is for a different figure. In some cases, e.g., 47-Miscellaneous Departments, and 57-Miscellaneous, the estimated expenditure for the year shown in the budget is the net amount after deducting receipts that are permitted to be taken into account in reduction of expenditure or transfers to other heads in reduction of expenditure. Such adjustments are carried out only at the end of the financial year and may not be available in the early part of the financial year. Accordingly, where such adjustments are considerable, the vote is being asked for for one-third of the gross expenditure. Again, under 54-Famine, practically the whole expenditure estimated for the year is being asked for as advance as the expenditure is expected to be incurred during the first three months of the next year.

Dated the 29th January 1952.

(Signed) VAIKUNTH L. MEHTA.
